

Firestick Sparkling Brut NV

You Know When A Great Wine Strikes

The Poole's Rock Wines' Firestick range adheres to our unstinting company philosophy to showcase premium varietal wines from Australia's finest wine regions. The Firestick portfolio is made from select quality grapes grown on dedicated vineyard sites and managed by specialist individual growers.

Firestick is inspired by one of nature's most dramatic night-time performances; the animated dance of lightning strikes or 'sticks of fire' that illuminate the vast Australian landscape when two opposing storm fronts clash.

WINEMAKING

Free-run portions of semillon and chardonnay were selected to maintain the light delicate floral fruit aromas. Some of the juice was fermented then held on lees to add both complexity and body to the wine. The balance was cold-fermented in stainless steel to enhance the fruit characters.

TECHNICAL INFORMATION

Alcohol: 12.0%, pH: 3.27, acid: 6.19 g/L.

WINEMAKER'S NOTES – Patrick Auld

Aromas of straw, citrus and apple from the semillon combine beautifully with the peach and dried fig aromas of chardonnay. The fine effervescence enhances the clean fresh flavours and aromas while allowing the finish to remain crisp as it lingers in the mouth.

Chilled this Brut NV is a versatile aperitif and accompaniment to freshly shucked oysters, and canapes.
